## FIANO DI AVELLINO

DOCG

2017

I loved the opulent, almost Baroque-like details that you get in the hot-vintage 2017 Fiano di Avellino F. The bouquet shows floral, soapy aromas with honeysuckle and peach blossom. You get a lot of little detailing within the grandeur of the nose. Winemaking is extremely straightforward with cryomaceration and a brief resting period in stainless steel. Some 68,000 bottles were made.
