## FIANO DI AVELLINO 2021

Tasted by: **Aldo Fiordelli**

Part of *Campania wines in 2023: 30 wines to try*

Drinking Window: 2023 - 2030

The mostly clay soil in the Irpinia village of Salza imparts **hefty weight to this wine**, despite the stainless steel fermentation and just three months on the lees. The **nose is multifaceted and elegant**, displaying fresh apricot, white flowers, aromatic herbs and a whiff of smoke. But this is more textured than aromatic, with a mellow palate, lifted and full of salinity, showing more apricot with seaweed and almond. **A fancy wine with an almost Condrieu-like aristocracy.**
