Fiano di Avellino Di Meo 2021

This fragrant Fiano opens with enticing aromas of crushed wild herb, spring wild flower and wet stone. Showing its volcanic soils, the savory, elegantly structured palate has an intriguing smoky note that accompanies juicy pear, unsweetened lemon drop, grapefruit and ginger before a tangy mineral finish. It's delicious now but also shows some aging potential so hold a few more years for even more complexity. Drink through 2026. Abv: 13.5% Kerin O'Keefe February 2023 ©kerinokeefe.com
