Di Meo Fiano di Avellino Colle dei Cerri Riserva 2008

Aged for two years on its fine lees in tonneaux followed by 11 years in stainless steel, the 2008 Colle dei Cerri Riserva opens with intense smoky mineral aromas, dried Golden apple slice and pressed yellow wild flower. On the palate, tangy acidity and flinty mineral accompany lychee, lemon drop, vanilla and toasted hazelnut before a flinty mineral close. Abv: 13.5% Kerin O'Keefe September 2024 ©kerinokeefe.com
