Di Meo Greco di Tufo 2023

The stunning Greco di Tufo from Di Meo is elegantly structured and while it has a great depth of flavor, it also shows refined restraint. It opens with enticing aromas of white spring wildflower, citrus, ripe orchard fruit and wet stone while the dry, enveloping palate features ripe yellow pear, lychee, white peach and unsweetened lemon drop before a flinty mineral finish. Bright acidity keeps it energized. Abv: 13% Kerin O'Keefe August 2024 ©kerinokeefe.com
